Notes

- All zero-dollar (one-dollar for NY) bails are removed
- A large number of actual (listed) charges do not follow those listed in state-level descriptions in BJS datasheet, so each charge is mapped to an appropriate BJS code manually; so it is not fully representative of the collected data
 - Louisiana – 53854 cases (manually mapped)
 - Arkansas – 8296 cases (manually mapped)
 - Michigan – 75 cases (only picked out those that match charge descriptions)
 - New York – 1214 cases (only picked out those that match charge descriptions)
